VICE CHANCELLOR'S MESSAGE

“We ignite the passion in students and churn them out as a brigade of change leaders”

Uttaranchal University provides exceptionally congenial academic environment for incubation of future catalyts to outperform global benchmark. The University has carved out a niche among the comity of universities to provide a distinct platform to blossom students as diversified human assets. Embedded in the guidance of highly qualified faculty and rooted in the pursuit of intellectual excellence, it attempts to unlock inquisitiveness for experiential learning fostering quality leadership and entrepreneurship.

We ignite the passion in students and churn them out as a brigade of change leaders. It has been observed that the gap between higher education and unemployment has been widening over the years. This points out to the challenges of functionality of output and maintaining the quality and standard in academia. The basic fabric of knowledge has to be capable of qualitative and effective capacity building as quality alone can drive the change. We have been meticulously redesigning our value delivery system through process of ongoing transformation. University not only provides a vibrant and positive ambience but state of the art Labs, well-equipped library, sports, various clubs and extracurricular facilities etc. to ensure their holistic development. We constantly update programs and course content to meet the challenge for grooming professionals and making them industry ready by equipping them with the required technical and soft skills.

We attract the best minds towards teaching and research so that our graduates are a force to reckon with in the new interconnected and borderless world of the new millennium. Our Faculty always guides and motivates the students to participate in research, scholarly and creative activities at all times.

I extend a hearty welcome to all the students to step in this temple of learning and fly on the wings of their career and fulfil their aspirations and dreams!

Prof. (Dr.) N. K. Joshi
Vice Chancellor

The Member Secretary informed the house that the fee structure for 2018-2019 Session had been prepared after conducting comparative studies to ensure that it was consistent and feasible with the cost of teachers and consumables. The members after seeking some clarifications accorded their approval to the proposed fee structure.

OTHER AUTHORITIES OF THE UNIVERSITY (Section- 27)

In addition to the above, some other Committees as per details given below were also constituted in compliance of Section-27 of the Uttaranchal University Act; for smooth and efficient functioning of the University.

The Committees so constituted and in position are as under:

- 1. PLANNING & DEVELOPMENT COMMITTEE**
- 2. ADMISSION COMMITTEE**
- 3. BOARD OF STUDIES**
- 4. EXAMINATION COMMITTEE**
- 5. LIBRARY COMMITTEE**

The above Committees are fully functional and taking care of their specialized activities. The meetings of these committees are being held as per the provisions of the Uttaranchal University Act and Statutes and also as per requirement.

In addition to above said authorities, the following Committees are to maintain discipline and good conduct amongst the students on the campus. These Committees are also fully functional and are discharging their duties and responsibilities as per their charter.

STUDENTS GRIEVANCE REDERESSAL COMMITTEE

The primary function of the Students Grievance Redressal Committee is to look after the interest and needs of the students of marginal and economically weaker section of the society.

- ❖ The Centre identified the needs of such students and developed strategies to benefit the students.
- ❖ Students belonging to SC/ST/Physical Challenged, Other Backward Classes and economically weaker sections come under this category.
- ❖ Besides above categories students belonging to minority groups are also covered under this Centre.
- ❖ The Centre facilitates filling up of forms for various government scholarships along with necessary documents and processing of their application forms.
- ❖ Information about various types of available scholarships is disseminated for the benefit of the student a prominent place on the notice board as well as in the University Prospectus.
- ❖ The Centre also organizes orientation programmes, motivational lectures and remedial classes for bringing students in the main stream.
- ❖ The Centre works with full sensitivity and dedication.

In addition to above functions, the Centre also looks after the affairs and interest of the students from the North-East Region.

The Centre is engaged in ensuring students discipline on the campus. The Centre has framed the student's disciplinary policies to control and regularize students conduct in the academic and residential halls on the campus. The Centre is headed by a Senior Professor designated as Dean-Student Welfare assisted by an adequate number of teaching and non-teaching staff members including female faculty members.

ANTI RAGGING COMMITTEE

The Uttaranchal University campus is a ragging free campus. In order to avoid the occurrence of any incidence of ragging on/off campus, the University has constituted high powered Anti Ragging Committees and Anti Ragging Squads. The Committee/Squads consist of all departmental heads, teaching and non-teaching staff, students' representatives, Gender Champions to have 24 hours close watch on student's movement

on/off the campus namely; classrooms, laboratories, library, computer centre, cafeteria, hostels, vehicles parking(s), bus stops and University buses. The Committee has displayed leaflets, flyers and banners conspicuously at strategic points on the campus and hostels where-in the abuses of ragging have been sighted. Telephone numbers of important University functionaries, local police and district administration have also been displayed for the convenience of any aggrieved student and reporting the matter in case of any such mis happening. Due to these safeguards, no incidence of ragging has occurred/reported during the session 2017-2018.

INTERNAL COMPLAINT COMMITTEE (ICC) ON GENDER BASED VIOLENCE

In compliance of the UGC Regulations 2016, the Uttaranchal University has framed rules for Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students at work place effective from 01st August, 2016.

The provisions of these rules and regulations shall apply to all students, teaching/academic and non-teaching staff on the rolls of the Uttaranchal University, Dehradun and also to residents, service providers and those outsiders who may be within the Territory/Campus of Uttaranchal University at the time of commission of the act.

FUNCTIONS OF THE ICC

- ❖ Ensure the prominent publicity of its policy in all centres, hostels, offices of administration, as well as in all public places on the campus such as the library, health centre, residential areas, canteens and shopping centres etc.
- ❖ ICC will organize programmes for the gender sensitization of the University community through workshops, seminars, posters, film shows, debates and skits, etc. It may enlist the help of other campus bodies to carry out these programmes.
- ❖ ICC will conduct at least one major activity per semester involving large sections of the University community aimed at increasing the awareness regarding gender sensitization.
- ❖ Any student, resident, service provider, outsider, or a member of the academic or non-teaching staff may lodge a complaint of sexual harassment against a student, resident, service providers, outsider, or a member of the academic or non-

teaching staff within a period of 7 days unless on valid grounds for which a reason for delay is to be furnished to ICC. Third party complaint and witness complaints shall be entertained subject to verification by ICC. The ICC is empowered to take *suo moto* notice or grave violations of the basic principles of gender sensitivity and justice on the campus.

- ❖ The complaint may be oral or in writing. If the complaint is oral, it shall be recorded in writing by the ICC Members receiving the complaint, and authenticated by the complainant under her/his dated signature or thumb impression as the case may be.
- ❖ Protect the safety of the complainant by not divulging the person's identity, and offer mandatory relief.
- ❖ Ensure that victims or witnesses are not victimized or discriminated against while dealing with complaints of sexual harassment.
- ❖ To complete the enquiry within a period of 7 days.
- ❖ The Chairman of the Committee is a woman Senior Professor of the University. The members include two faculty members, two non-teaching staff, two student representatives and more than half of the members in committee are women.

The Committee meets regularly and takes stock of the measures provided for the safeguard of female faculty, staff and students. The Committee ensures that no act of sexual harassment of any nature occurs on the campus and in case of any occurrence, immediate redressal steps are taken. The Committee conducts workshops and seminars to educate the staff members of the University about the sensitivity of the issue and at the same time, the female staff, faculty and students are enlightened with the measures and the safeguards available to them in this regard. The efforts have ensured that no incidence of sexual harassment has taken place on the campus during 2017-2018.

PHYSICAL INFRASTRUCTURE DEVELOPMENT

The campus of the Uttaranchal University is picturesque and is spread over 70 acres of land on the NH 72. The campus is unitary in nature and is located at the heart of the city. The campus is easily accessible by public mode of transport from all strategic points of the city i.e. Railway Station, ISBT, Clock Tower, Rajpur Road, Raipur Road, Dakpathar and Vikasnagar etc. The whole campus is clean-green and eco-friendly. University buses are available for commuting the students and faculty from all parts of the city on payment of a

very reasonable amount. There are thirteen hostels on the campus (7 for Boys and 6 for Girls). The hostels can accommodate approx. 2200 students and offer single, double, triple or a four-seater occupancy facility. The classrooms are fitted with latest teaching aids and devices. The classrooms are well ventilated and adequately illuminated. Laboratories are equipped with world class instruments and are capable of carrying out innovative advanced research and meeting industry needs. Every Department has its own Seminar Hall.

Computer Centre- The University campus is a 24X7 uninterrupted Wi-Fi enabled e-campus, connected with 70 mbps fibre optic network that connects all the academic departments, hostels, libraries, administrative blocks and other facilities at the campus. Having a computer network with server (Linux server, domain server, database server, Thin Client server, backup server, ERP server and storage). The main Computer Centre is having more than 1110 PCs. In addition to main Computer Centre, every college has a separate dedicated Computer Laboratory.

Central Library- The carpet area of the Central Library; the Information Resource Centre is 1500 Sqm. The Central Library is designed to meet the needs of the users with an aim of providing “**Anytime, Anywhere Access**” to information, and supports University in building an excellence in academics and research by establishing the knowledge hub.

The library holds a hybrid collection of printed as well electronic resources which include books, journals, databases, audio-visuials, CDs/DVDs, e-books, e-journals, reports, case studies, conference proceedings and training manuals, etc. on Applied Sciences, Engineering and Technology, Humanities, Management, Legal studies, Agriculture, and Pharmacy etc. The total volume of books is 133776.

The libraries are well automated with integrated software and have utilized Information Technology extensively to ensure that resources are accessible from anywhere at any time. Services such as Web OPAC for checking online availability and reserving online, remote access to e-resources and databases make the library user friendly.

Besides conventional reading material; the library subscribes-Journals of International societies and publishers of International repute viz. IEEE, ASME, ASCE, Science Direct,

Springer, Emerald and EBSCO etc. The Library is also a member of INFLIBNET to check plagiarism in academia; especially in the research work.

The Library has Multimedia section to access NPTEL video lectures on various subjects and topics. It provides conducive environment for intellectual enquiry by providing user-focused services to obtain and evaluate scholarly information and knowledge. The Central Library is supported with the departmental libraries in each Faculty.

OTHER FACILITIES

To meet the daily needs of the students, there are shops for stationery, confectionary and daily need items where students can buy the things of their requirements at a reasonable price. Saloon for male and female students is also available in addition to Beauty Parlour for female students and staff. Cafeteria, Canteen, Food Court, Nescafe Kiosk and ATM facility exclusively for the University community is available on the campus. University owned Ambulance is at the disposal of students and staff, in case of any emergency and minor ailment. Infirmity with bed facility is also on the campus. These facilities are exclusively meant for the students and staff of the University. The University has tie-ups with leading hospital in the city for major/minor treatment at concessional rates.

Play grounds for outdoor and indoor games namely; Cricket, Football, Volleyball, Basketball Courts, Badminton, Table Tennis, Chess, Carrom and Gymnasium etc., are there on the campus to meet the recreational needs of the students and staff.

University is generating its electricity through its own Solar Energy Plant (Capacity of 208 KW). In addition to the solar energy plant, University also has generators for power backup.

The eligibility marks of 55% (or an equivalent grade in a point scale wherever grading system is followed) and the relaxation of 5% to the categories mentioned above are permissible only on qualifying marks without including the grace marks procedures.

Note: One semester full time course work is mandatory for pursuing PhD programme, and

1. Publications of two articles in international journal of repute are necessary for award of PhD degree.
2. All the courses offered by University are full time and regular. University is not offering any of the courses through correspondence/distance mode.

COURSE CURRICULUM

The University course curriculums are finalized by the Board of Studies of the respective Departments. Each course curriculum is structured keeping in view the UGC guidelines and the industry/corporate requirements. The curricula on being finalized by the respective departments are presented to the Academic Council of the University for perusal, review, additions, deletions or adoption, if deemed fit. The course curricula approved by the Academic Council are submitted to the Board of Management of the University for Final approval and adoption. The Board of Studies of the various Departments meet before the start of every semester and submit the recommendations for the revision in the course curricula in addition to designing course curriculums for the new courses. Subject experts from other Institutions/Universities/Industries of repute are an integral part of the Board of Studies; invited in the meetings.

2.	Law	10	1
3.	CSE	5	1
4.	Chemistry	10	2

Out of the above 07 students enrolled for PhD, 04 are the female candidates.

Enrolment of candidates in the PhD programmes are made complying with the provisions contained in UGC (Minimum Standards and Procedure for Awards of M. Phil/Ph.D.

Degree), Regulations, 2009 and 2016. The course structures of the course work of the PhD programmes are also designed; keeping in mind the guidelines contained in the above said regulations of the UGC.

The University has adequate number of technical, administrative, support and maintenance staff for smooth and efficient functioning of the University in addition to teaching faculty.

EXAMINATIONS

University has adopted a fair and transparent examination system. University is following the semester system i.e., Odd Semester commencing from July/August and the Even Semester commencing from January each year. At the culmination of the semester, the examinations are held which are called End Semester (Odd/Even Semesters Examinations) during the month of December/January and May/June each year. The system is in conformity with the UGC guidelines in this regard.

The salient features of the student's evaluation/examinations system are as under:

- ❖ The performance of students in a semester is evaluated through continuous class assessment and end semester examination. The continuous assessment is based on class tests, assignments/tutorials, quizzes/viva-voce or by means of any combination of these methods. The marks for continuous assessment (sessional marks) are being awarded at the end of the semester.
- ❖ The End Semester Examinations comprise of written papers, practical and a viva-voce with adequate cognizance of certified course work done in the classes and laboratories.
- ❖ The University has adopted a centralized evaluation system to be carried out at The campus. Provision for inviting external experts is also in place as per the requirements of the University. University has adopted mark based ranking system for most of the programmes but in some cases; a letter grade ranking system has also been adopted including the research programmes.
- ❖ The examinations are conducted as per the notified schedule by providing ample opportunity to students for equipping them with necessary preparation.
- ❖ The results are announced within three weeks from the last day of the examinations. The result is communicated to students through uploading it on student's individual mail IDs and placing it on the main Notice Boards prominently.

- ❖ The University has a continuous evaluation system i.e., evaluation of student performance is worked out by considering various components including theory, tutorials, practical, project, trainings, assignments, presentations, sessional marks, seminar and faculty(s) assessment etc.

ORDINANCES

University has ordinances for its all programmes. In the ordinances, schemes of the examinations, student attendance requirement for appearing in the examinations, evaluation schemes of the examinations and the criteria for passing the examinations and alleviation to the next semester/class are outlined and explained in detail for the guidance of the students, teachers, evaluators, paper setters and all other stakeholders.

GUIDELINES FOR QUESTION PAPER SETTING

A panel of experienced and unimpeachable integrity faculty members has been drawn for paper setting purposes. The paper setting assignment is given to the members of external/internal panel having adequate teaching experience coupled with experience of handling this incredible confidential assignment. Each paper setter is further advised to keep the following aspects in mind while setting the question paper(s).

- (i) The question paper must cover the whole syllabus.

- (ii) No question or part thereof should be outside the prescribed syllabus. Repetition of a question(s) must be avoided.
- (iii) Question paper must be very explicit in terms of minimum and maximum pass marks. The marks assigned to a particular question or to a part of a question must be specifically shown against that question/part of question.
- (iv) In case the students are required to use Electronic gadgets viz., simple/ scientific calculators or graph paper or something else, these instructions be written specifically at the end of the question paper i.e. "Students are allowed to use only simple calculators during the course of examinations".
- (v) The question should not contain any objectionable/unlawful contents.No questionpaper should contain issues relating to religious and political sentiments of particular section of the society.
- (vi) Instructions to candidates should be clear and unambiguous.
- (vii) The simplest language should be used and the length of the questions should be such that it can be completed within assigned time.

Note: To maintain secrecy and confidentiality of the question paper(s) is our top most priority (Details of the instructions on the subject are available with Controller of Examinations for forwarding them to the question paper setters for guidance).
