

UTTARANCHAL
UNIVERSITY

Annual Report 2019-2020

CHANCELLOR'S MESSAGE

The founders of Uttaranchal University envisaged an institution of learning which would transcend all barriers and become a university of national character in letter and spirit. Our emphasis is on diffusion of scientific, technical and professional knowledge on one hand and on the other hand building up the character of youth by integrating ethics with education.

I am happy to say that the University's unique campus and seven interdisciplinary institutes- Law College Dehradun, Uttaranchal Institute of Technology, Uttaranchal Institute of Management, Uttaranchal Institute of Pharmaceutical Sciences, School of Applied & Life Sciences, School of Agriculture are making their mark at the state and national level in the frontier areas of Law, Engineering, Management, Information Technology, Pharmacy, Applied & Life Sciences, Agricultural Science, Hotel Management and hope the same for School of Liberal Arts.

The University is complemented by the pioneering efforts of more than a decade in legal education, engineering and management which has won us the place among the premier institutes of learning in the country. Our dedication to offer the best infrastructure and faculty has been amply rewarded by the excellent academic results achieved by our students. Among other accolades, our students have won prestigious awards from many Universities. A University can grow when research is combined with teaching. Therefore, we have ensured the development of a collaborative environment conducive to learning, exposure to the best international practices and promotion of innovation and creativity.

Our students find an invigorating experience in learning at Uttaranchal University. I extend my warm welcome to our new entrants. Thanking you.

With Best Wishes,

Jitender Joshi
Chancellor

VICE CHANCELLOR'S MESSAGE

“We ignite the passion in students and churn them out as a brigade of change leaders”

Uttaranchal University provides exceptionally congenial academic environment for incubation of future catalysts to outperform global benchmark. The University has carved out a niche among the comity of universities to provide a distinct platform to blossom students as diversified human assets. Embedded in the guidance of highly qualified faculty and rooted in the pursuit of intellectual excellence, it attempts to unlock inquisitiveness for experiential learning fostering quality leadership and entrepreneurship.

We ignite the passion in students and churn them out as a brigade of change leaders. It has been observed that the gap between higher education and unemployment has been widening over the years. This points out to the challenges of functionality of output and maintaining the quality and standard in academia. The basic fabric of knowledge has to be capable of qualitative and effective capacity building as quality alone can drive the change. We have been meticulously redesigning our value delivery system through process of ongoing transformation. University not only provides a vibrant and positive ambience but state of the art Labs, well-equipped library, sports, various clubs and extracurricular facilities etc. to ensure their holistic development. We constantly update programs and course content to meet the challenge for grooming professionals and making them industry ready by equipping them with the required technical and soft skills.

We attract the best minds towards teaching and research so that our graduates are a force to reckon with in the new interconnected and borderless world of the new millennium. Our Faculty always guides and motivates the students to participate in research, scholarly and creative activities at all times.

I extend a hearty welcome to all the students to step in this temple of learning and fly on the wings of their career and fulfil their aspirations and dreams!

Prof. (Dr.) Devendra Pathak
Vice Chancellor

7. STUDENTS GRIEVANCE REDRESSAL COMMITTEE

The primary function of the Students Grievance Redressal is to look after the interest and needs of the students of the deprived groups.

- ❖ The Centre identified needs of such students and develop strategies to benefit the students.
- ❖ Students belonging to SC/ST/Physical Challenged, Other Backward Classes and economically weaker sections come under this category.
- ❖ Besides above categories, students belonging to the minority groups are also covered under this Centre.
- ❖ The Centre facilitates filling up of forms for various government scholarships along with necessary documents and processing of their application forms.

- ❖ Information about various types of available scholarships is disseminated for the benefit of the student on prominent places on the notice board as well as in the University Prospectus.
- ❖ The Centre also organizes orientation programmes, motivational lectures and remedial classes for bringing students in the main stream.
- ❖ The Centre works with full sensitivity and dedication.

In addition to above functions, the Centre also looks after the affairs and interest of the North East Region students.

The Centre is engaged in ensuring students discipline on the campus. The Centre has framed the student's disciplinary policies to control and regularize students conduct in the academic and residential halls on the campus. The Centre is headed by a Senior Professor designated as Dean-Student Welfare assisted by an adequate number of teaching and non-teaching staff members including female faculty members. The meetings of the Centre were held as per the requirement and occurrence of any case related its areas of functioning.

8. ANTI RAGGING COMMITTEE

The Uttaranchal University campus is a ragging free campus. In order to avoid happening of any incidence of ragging on/off campus, the University has constituted high powered Anti Ragging Committees and Anti Ragging Squads. The Committee/Squads consist of all departmental heads, teaching and non-teaching staff, students' representatives, Gender Champions to have 24 hours close watch on student's movement on/off the campus namely; classrooms, laboratories, library, computer centre, cafeteria, hostels, vehicles parking(s), bus stops and University buses etc. The Committee has displayed leaflets, flyers and banners conspicuously at strategic points on the campus and hostels wherein the abuses of ragging have been sighted. Telephone numbers of important University functionaries, local police and District administration have also been displayed for the convenience of any aggrieved student and reporting the matter in case of any mis-happening. Due to these safeguards, no minor incidence of ragging has occurred/reported during the session 2019-2020.

9. INTERNAL COMPLAINT COMMITTEE (ICC)

In compliance of the UGC Regulations 2016, the Uttaranchal University has framed rules for “Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students” at work place effective from 01st August, 2016.

The provisions of these rules and regulations shall apply to all students, teaching/academic and non-teaching staff on the rolls of the Uttaranchal University, Dehradun and also to residents, service providers and outsiders who may be within the Territory/Campus of Uttaranchal University at the time of commission of the act.

FUNCTIONS OF THE ICC

- ❖ Ensure the prominent publicity of its policy in all centres, hostels, offices of administration, as well as in public places on the campus such as the library, health care centre, residential areas, canteens and shopping centres etc.
- ❖ ICC organizes programme for the gender sensitization of the University community through workshops, seminars, posters, film shows, debates and skits, etc. It may enlist the help of other campus bodies to carry out these programmes.
- ❖ ICC will conduct at least one major activity per semester involving large sections of the University community aimed at increasing the awareness regarding gender sensitization.
- ❖ Any student, resident, service provider, outsider, or a member of the academic or non-teaching staff may lodge a complaint of sexual harassment against a student, resident, service providers, outsider, or a member of the academic or non-teaching staff within a period of 7 days unless on valid grounds for which reason for delay is to be furnished to ICC. Third party complaint and witness complaints shall be entertained subject to verification by ICC. The ICC is empowered to take *suo moto* notice or grave violations of the basic principles of gender sensitivity and justice on the campus.
- ❖ The complaint may be oral or in writing. If the complaint is oral, it shall be recorded in writing by the ICC Members receiving the complaint, and authenticated by the complainant under her/his dated signature or thumb impression as the case may be.
- ❖ Protect the safety of the complainant by not divulging the person’s identity, and provide the mandatory relief by way of sectioned leave or relaxation of attendance requirement.

- ❖ Ensure that victims or witnesses are not victimized or discriminated against while dealing with complaints of sexual harassment.
- ❖ To complete the enquiry within a period of 7 days.
- ❖ The Chairman of the Committee is a woman Senior Professor of the University. The members include two faculty members, two non-teaching staff, two student representatives and more than half members of the committee are women.

The Committee meets regularly and takes stock of the measures provided for the safeguard of female faculty, staff and students. The Committee ensures that no act of sexual harassment of any nature is occurred on the campus and in case of occurrence, immediate redressal steps are taken. The Committee conducts small workshops, seminars etc., to educate the staff members of the University about the sensitivity of the issue and at the same time, the female staff, faculty and students are enlightened with the measures and the safeguards available to them in this regard. The efforts are yielding results culminating to no incidence of sexual harassment on the campus during 2019-2020.

PHYSICAL INFRASTRUCTURE DEVELOPMENT

The campus of the Uttaranchal University is picturesque and is spread over 70 acres of land on the NH 72. The campus is unitary in nature and is located at the heart of the city. The campus is easily accessible by public mode of transport from all strategic points of the city i.e., Railway Station, ISBT, Clock Tower, Rajpur Road, Raipur Road, Dakpathar, and Vikasnagar etc. The whole campus is clean-green and eco-friendly. University buses are available for commuting the students and faculty from all parts of the city on payment of a very reasonable amount. There are fourteen hostels on the campus (8 for Boys and 6 for Girls). The hostels can accommodate approx. 2400 students and offer single, double, triple and four students occupancy facility. The classrooms are fitted with latest teaching aids and devices. The classrooms are well ventilated and adequately illuminated. A good number of classrooms in every department are digital. Laboratories are equipped with instruments and are capable of carrying out innovative advanced research and meeting industry needs. Every Department has its own Seminar Hall/Meeting Hall. Cabins have been provided for the teaching faculty.

Computer Centre - The University campus is a Wi-Fi enabled e-campus which remains open 365X7X24 and is connected with 1Gbps fibre optic network that connects all the

academic departments, hostels, libraries, administrative blocks and other facilities at the campus. It has a computer system with server (Linux server, domain server, database server, Thin Client server, backup server, ERP server and storage). The main Computer Centre is having approx. 1573 PCs. In addition to the main Computer Centre, every Department has a separate dedicated Computer Laboratory. Software's have been updating regularly as per the requirement of the students as well the faculty.

Central Library – The carpet area of the Central Library- the Information Resource Centre is 1500 Sqm. The Central Library is designed to meet the needs of the users with an aim of providing “**Anytime, Anywhere Access**” to information, the Central Library supports University in building an excellence in academics and research by establishing a knowledge hub.

The library holds a hybrid collection of printed as well electronic resources which include books, journals, databases, audio-visuals, CDs/DVDs, e-books, e-journals, reports, case studies, conference proceedings, and training manuals on Applied Sciences, Engineering and Technology, Humanities, Management, Legal studies, Agriculture and Pharmacy. The total volume of books in the library is 1.46 Lacs. The libraries are well automated with an integrated software and have utilized Information Technology extensively to ensure that resources are accessible from anywhere at any time. Services such as Web OPAC for checking online availability and reserving online, remote access to e-resources and databases make the library- user friendly. Besides conventional reading material the library subscribes to 871 e-Journals of International societies and publishers of International repute viz. IEEE, ASME, ASCE, Science Direct, Springer, Emerald, SCOPUS, EBSCO etc. The Library is also a member of **INFLIBNET** to check plagiarism in academia especially in the field of research work. The Library has Multimedia section to access NPTEL video lectures on various subjects and topics. It provides conducive environment for intellectual enquiry by providing user-focused services to obtain and evaluate scholarly information and knowledge. The Central Library is supported with the Departmental libraries in respective Schools or Colleges.

OTHER FACILITIES

- ❖ To meet the daily needs of the students, there are shops for stationery, confectionary and daily need items where students can buy the things of their requirements at a reasonable price. EXAMINATIONS

University has adopted a fair and transparent examination system. University is following semester system i.e., Odd Semester commencing from July/August and the Even Semester commencing from January each year. At the culmination of the semester, the examinations are held which are called End Semester (Odd/Even Semesters Examinations) during the month of December/January and May/June each year. The system is in conformity with the UGC guidelines in this regard. The salient features of the student's evaluation/examinations system are as under.

- ❖ The performance of students in a semester is evaluated through continuous class assessment and end semester examination. The continuous assessment is based on class tests, assignments/tutorials, quizzes/viva-voce and academic assessment records or by means of any combination of these methods. The marks for continuous assessment (sessional examination marks) are being awarded at the end of the semester.
- ❖ The End Semester Examinations are comprised of written papers, practical and viva-voce with adequate cognizance of certified course work done in the classes and laboratories.
- ❖ The University has adopted a centralized evaluation system to be carried out at the University campus. Provision for inviting external experts is also in place as per the requirements of the University. University has adopted Letter Grade based ranking system and this has also been adopted in research programmes.
- ❖ The examinations are conducted as per the notified schedule well in advance providing ample opportunity to students for equipping them with necessary preparation.

- ❖ The results are announced within three weeks from the last day of the examination. The result is communicated to students through uploading it on student's individual ERP- IDs and placing it on the main Notice Boards prominently.
- ❖ The University has a continuous evaluation system i.e., evaluation of student's performance worked out by considering various components including theory, tutorials, practical, project, trainings, assignments, presentations, sessional marks, seminar and faculty(s) assessment etc.
- ❖ The entire examination system in the University is automated.

ACADEMIC ORDINANCES

The University has Academic Ordinance for all of its programmes. In the Academic Ordinances, schemes of the examinations, student attendance requirement for appearing in the examinations, evaluation schemes of the examinations and the criteria for passing the examinations and alleviation to the next semester/class are outlined and explained in detail for the guidance of the students, teachers, evaluators, paper setters and all other stakeholders.

GUIDELINES FOR QUESTION PAPER SETTING

A panel of experienced and unimpeachable integrity faculty members has been drawn for paper setting purposes. The paper setting assignment is given to the members in external/internal panel having adequate teaching experience coupled with experience of handling this incredible confidential assignment. Each paper setter is further advised to keep the following aspects in mind while setting the question paper(s):

- (i) The question paper must cover the whole syllabus.
- (ii) No question or part thereof should be outside the prescribed syllabus. Repetition of a question(s) must be avoided.
- (iii) Question paper must be very explicit in terms of minimum and maximum pass marks. The marks assigned to a particular question or to a part of a question must be specifically shown against that question/part of question.
- (iv) In case the students are required to use electronic gadgets viz., simple/scientific calculators or graph paper or something else, these instructions must be written specifically at the end of the question paper i.e., “Students are allowed to use only simple calculators during the course of examinations”.
- (v) The question should not contain any objectionable/unlawful contents. No question paper should contain issues relating to religious and political sentiments of particular section of the society.
- (vi) Instructions to candidates should be clear and unambiguous.
- (vii) The simplest language should be used and the length of the questions should be such that it can be completed within assigned time.

Note: To maintain secrecy and confidentiality of the question paper(s) is our top most priority. (Details of the instructions on the subject are available with Controller of Examinations for forwarding them to the question paper setters for guidance).
