

## SCHOOL OF AGRICULTURE (SOA)

Ref. No. UU/SOA/Feedback/2021/05

Date: 01.04.2021

### Feedback Analysis Report Academic Year 2020-21 M.Sc. Ag. (Agronomy)

SOA has collected feedback from the key stakeholders (Students, Faculty members and Alumni) on curriculum aspects and courses in order to enrich the curriculum as per the contemporary requirements of industry, society and environments. The feedbacks were analyzed, and valuable suggestions are considered for the enrichment of curriculum of M.Sc. Ag. (Agronomy).

The department is proposing following recommendations on the basis of feedback and suggestions received (Annexure-1):

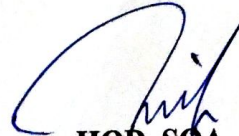

S. No.	Recommendations
1.	In the curriculum of M.Sc. Ag. (Agronomy) degree programme, some courses and contents may be moderated in respect to meet the local importance, i.e., MSAGA-512: Principles and Practices of Water Management MSAGA-514: Principles and Practices of Soil Fertility and Nutrient Management MSAGA-513: Principles and Practices of Weed Management MSAGA-519: Agrostology and Agro-Forestry MSAGA-527: Principles and Practices of Organic Farming
2.	As per the feedback received from industry experts, some new elective courses on "Farm Journalism" and "Agricultural Insurance" may be proposed in the curriculum of M.Sc. Ag. (Agronomy) degree programme.
3.	To improve the knowledge on contemporary issues, new Value Added Courses on "Soil and Water Pollution", "Water Management", and "Pest Control" may be developed and offered to the students during the session 2020-21.
4.	Academic guidelines specific to framed for the M.Sc. (Agronomy) Degree Programme.

Submitted to the Dean, SOA for necessary action please.
